He said this sand was preventing proper drainage down the Ferry Road. He planned to remove the buildup of sand from the north side of the Ferry Road in the same area. The Board of Selectmen gave him their approval as long as he received permission from the Edgecomb DOT Sand Barn (or other DEP facility) to scrape it from or around the Main Road. George asked what he was doing with the sand, and Richard replied that he was using it to build up parts of the Palmer Road, which is a private drive.
